

ewi ENERGY CONFERENCE

In cooperation with **F.A.Z.** and **BDEW**

DIGITAL EDITION, 6 OCTOBER 2020 | 10 a.m. – 12 p.m.

Green deal, how to make it work? – Economics and Regulatory Policy in Europe and Germany

© 2008 Stephan Leyk

Since 1948 the EWI Energy Conference has been a trend-setting discussion forum for keynote speakers and participants from science, politics and economy. The EWI Energy Conference offers excellent opportunities for exchange and networking at the energy industry - diverse and on the pulse of time.

Already for the 19th time the conference will take place in cooperation with the Frankfurter Allgemeine Zeitung. For the fifth time this year, BDEW is also accompanying the conference as cooperation partner!
